

STUDENTS & GRADS: LOOKING FOR AN INTERNSHIP?

The MassTech Intern Partnership (MTIP) supports and funds internships for talented college students and recent graduates at tech companies in Massachusetts. Priority focus areas for 2017 include: **CYBERSECURITY, DIGITAL HEALTH, INTERNET of THINGS (IoT), and ROBOTICS.**

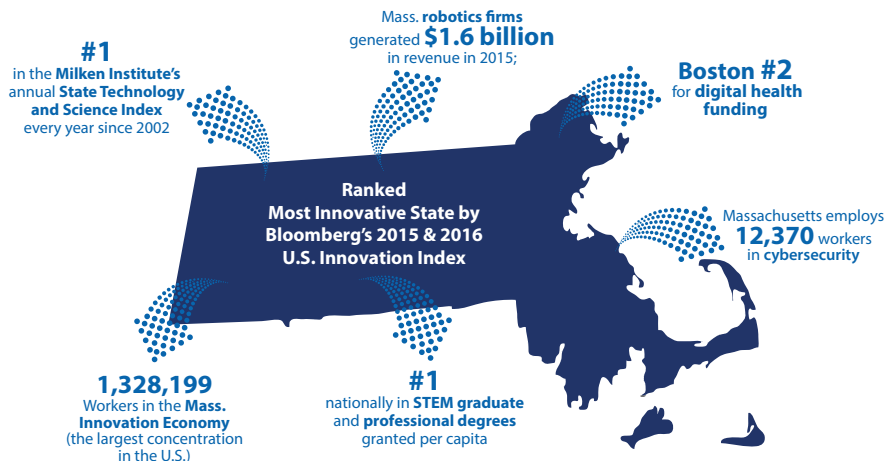

Interested students should sign up for TechGen (thetechgen.org) in order to create a profile, explore internship resources, and find opportunities on their interactive website. TechGen brings together tech interns throughout Massachusetts, hosting events and networking opportunities. It's also a great way for students to connect with Massachusetts tech companies looking to hire interns.

INTERN ELIGIBILITY:

- A **Massachusetts resident** currently enrolled at or a recent graduate of a two- or four-year college or university or graduate program (Preference for Class of 2016, 2017, or 2018); or
- A student currently enrolled at or a recent graduate of a **Massachusetts two- or four-year college or university or graduate program** (Preference for Class of 2016, 2017, or 2018).

Massachusetts is the Destination for Innovation & Opportunity

92%
of MTIP interns rated their internship as successful in providing them with valuable skill sets.

88%
of MTIP interns would recommend an internship at a start-up or tech company.

"Being part of a small company was an **AMAZING EXPERIENCE**. **MY IDEAS WERE VALUED** and I feel like I **INFLUENCED THE PRODUCT** that I was working on in a **MEANINGFUL AND POSITIVE WAY**."
- Adrian, Boston University

TECH COMPANIES: SEEKING FUNDS FOR INTERNS?

The **MassTech Intern Partnership (MTIP)** program provides stipends that directly support internships for Massachusetts college students and recent graduates at digital technology companies that are starting and scaling-up across Massachusetts. The program enables eligible companies to hire eligible interns, helping drive innovation and keeping our tech sector dynamic, vibrant, and growing across the Commonwealth. Companies can be reimbursed for up to 50% of an intern's gross salary for up to two interns and a total of \$3,200/year per individual intern.

Summer Internship Program: May 2017 - September 2017

COMPANY ELIGIBILITY:

- Must be headquartered and have operations in Massachusetts;
- Work in the digital technology sector. Priority focus areas for 2017 include: **CYBERSECURITY, DIGITAL HEALTH, INTERNET of THINGS (IoT), and ROBOTICS;** and
- Have less than 100 employees globally.
